Subject: RE: Quick question for Strategic Plan

So like this maybe?

Resolve CWA 404(q) elevation actions between EPA and the Army Corps for Rosemont Mine (March), the CA "Water Fix" (June 2017), and the Cordova Hills housing development near Sacramento. May include providing support to ENF if Rosemont and/or CA Water Fix are referred to CEQ (December 2017).

Hi Jason,

For the item below, Tomás is asking whether we are resolving the open elevations candidates with HQ or CEQ?
